2) The constitution of the R.C.P. Samy Bd is defined in notif. nos 7841 Alk 156-21-21 dated 22-4-24 as amended by notif. No 6868 d.B 9-25-11 dated 8-5-26, and it provides for the election of 4 members of whom one is to be a representative of the rural area other than Robertsonpet and Andersonpet.

3) In November 1927 the President forwarded a resolution of the Bd to the effect that the representative of the rural area need not be elected but nominated. The reason for the change proposed was that the villages after the institution of Village Panchayats would not contribute anything to the Samy Bd. This proposal was approved in Secl letter no 2855 V.P 27-27-3 of 22-11-27.

4) The question of relationship of the Board to the Village Panchayats was again considered in connection with the Board's proposal to exclude the rural area from the jurisdiction of the Samy Bd and final orders were passed in G.O. 1248-51 V.P 27-27-16 of 15-7-1929 vesting full control over the Sanitation

of the rural area with the Samy Bd. and requiring the Village Panchayats to contribute to the Bd one half of the income realised from obligatory taxes.

5. The President sent up proposals for nomination of a member in accordance with Sec 11 (1) (a) no 22-11-27 but he was informed that the question may be considered after final views were passed on the relationship of the Panchayats to the Bd.

The question having now been now finally settled, the President has proposed the nomination of Mr. V. Seemaraman Vaidyo, contractor as a member of the Board.

The point for consideration is whether the rural area may have an elected representative or a nominated one. The income accruing to the Board under the present arrangement would be very substantial and it would be expedient that the Village Panchayats had representation to the extent of the funds con-

contributed by them. The orders conveyed in Secret letter dated 22-11-27 were passed on the assumption standing that the Panchayats would contribute nothing to the Board. The order regarding the nomination may perhaps be revoked and the rural area allowed to elect a member as provided in the section 9-5-26.

~~The point is to decide that the rural area may continue to take the same advantage as they were entitled to under section 9 (b) (8) (b) (B) 9-25-(1) of the Act. They may also be allowed to be represented in the Board by the Panchayats as they are entitled to be represented in the Taluk Boards and Municipalities.~~
